*Your Straight Line Boot Camp was absolutely brilliant! Less than 24 hours after leaving you, I used your Straight Line method, adjusted my tonality and raised \$5 million in venture capital. Thanks again.*

— SAM ELBANNA  
SYDNEY, AUSTRALIA

**Discover this proven system to control every single one of your sales—from your very first contact all the way through the close.**

For over two decades, Jordan Belfort's Straight Line Persuasion System has created massive productivity increases, radically improved sales effectiveness and produced extraordinary financial results for thousands of individuals and companies worldwide.

His proprietary Straight Line System will teach you how to align the key forces you need to take control of every single sale, from the first four seconds all the way through the close. It's a logical and elegant way to influence a person—and a powerful method for **closing every sale that's closable.**

When implemented, these strategies, first developed and employed on New York's Wall Street, will **transform your life** by taking your sales and persuasion skills to a level you never dreamed possible.

**Start your transformation** with Jordan's Straight Line Persuasion Home Study Course, which includes:

[1] 10 DVDs, [2] 10 CDs, [3] 180 Page Action Book, [4] Reinforcement Flash Cards, [5] Custom Carrying Case

#### **These invaluable resources will teach you:**

- The FOUR core elements of the inner game of sales
- How to gather intelligence and develop instant rapport
- The art of quick qualifying and pinpoint prospecting
- The little-known key to creating high quality and ethical presentations
- How to instantly squash limiting buying beliefs and turn skeptics into buyers
- The Magic Bullet to closing calmly and consistently every single time
- How to use "looping" to turn your prospect's objections into successful close
- How to create never-ending referral streams and keep your customers for life

*"The Straight Line System is designed to get people to buy things they should buy—to improve the quality of their lives and to overcome obstacles that are preventing them from having the things they need to make their lives better."*
